2025 DGDG INVITATIONAL

For more than 40 years, the Del Grande Dealer Group has invested in our community, donating millions of dollars through the DGDG Does Good Foundation, our 501(c)(3) non-profit.

DGDG Does Good was founded in 2014 by the Del Grande Dealer Group. As active members of our community, we've formed deep and longstanding relationships with Bay Area charities, community organizations, youth groups and local leaders. Our ambitious fundraising goals are only made possible from the generous support of our friends, partners and people just like you. DGDG Does Good thanks you for making the 2025 DGDG Invitational the wonderful success that it is. Here's to a bright future of charity, goodness and prosperity to come.
